10:00	Break & Return to Team Tables Area
10:15	IPE Team Case Study
10:45	Final Case Stage Simulation & Debrief <i>CLC Auditorium</i>
11:15	Full Group Debrief with Guided Questions
11:30	Team Tables Report Out
11:45	Closing Remarks <i>Amy Pettit DNP, RN, Chief Nursing Officer, Schneck Medical Center</i>
12:00 noon	Evaluations & Lunch

We are pleased to welcome student participants from the following programs:

- Ivy Tech Columbus, Paramedic Science
- Ivy Tech Madison Nursing
- Ivy Tech Columbus and Bloomington, Human Services
- King's Daughters' Health School of Radiologic Technology
- Butler University School of Pharmacy
- IU East Certificate - Substance Abuse Counseling
- IU School of Nursing at IUPUC
- IUPUC Masters Mental Health Counseling
- IUPUC Business - Health Admin Concentration
- IU School of Medicine, Dept. of Family Medicine

Special Thanks to Schneck Medical Center, Seymour for providing lunch for today's participants!

“We know that health care delivered in teams is better health care. But we will never be able to change the delivery system until we change how health professionals are educated.”

-George Thibault, MD, president of the Josiah Macy Jr. Foundation
