

## Medical Career Exploration Days – July 2019

*Summer day camps for local students interested in pursuing health professional careers  
Open to rising Freshman, Sophomores, Juniors, and Seniors*

**July 17<sup>th</sup> – Therapy Day**

**July 19<sup>th</sup> – Nursing Day**

Are you interested in health care as a career? Do you want to find out more information about Nursing or Therapy careers? If so, join Margaret Mary Health and East Indiana Area Health Education Center this summer to explore these opportunities.

Through this program attendees will be able to:

- Attend specific health-related career days (Nursing or Therapy)
- Participate in panel discussions with current health professionals and students
- Gain exposure to career options and opportunities in specific health professions
- Attend lunch networking opportunities with Margaret Mary Health staff members
- Participate in hands-on activities with EI-AHEC and MMH staff members
- Learn about individual shadowing opportunities available at MMH

Register for either day at <https://eiahec.org>
